Truck & Tractor Pullers

Snyder County Truck and Tractor Pullers Association 2026 Sponsorship

Dear Future Sponsor,

At Snyder County Truck and Tractor Pullers (SCTTPA), we are a non-profit pulling organization based in Snyder County Pennsylvania for truck and tractor pulling. We have been a pulling organization since 1978. When SCTTPA started out, we were a small pulling organization but have grown to have multiple pulling events in Snyder County with our classes also traveling to fairs and other pulling events across Central Pennsylvania. In 2026 we look forward to continuing to grow with the help of our pullers and community.

In 2026 we are planning on having four events at the Middlecreek Valley Antique Association (MVAA) grounds in Selinsgrove, Pa. SCTTPA is looking for sponsors to help offset the cost of these events. Sponsorship funds will be used to help offset the costs of things such as equipment rental, electricity costs, points funds, and nightly purse payouts at all MVAA events. Sponsors have the opportunity to sponsor an individual class as well.

Your sponsorship would help put on the event for the community to enjoy and in return, we would promote your company at our events with banners and announcements throughout the night. In 2025 our events averaged over 1,000 spectators in attendance. Your business will also be advertised on our website and social media. New this year, livestream from CS Pulling Promotions, sponsor will have exposure through the livestream with main views across Pennsylvania, New York, and Ohio, but will reach all across the country.

If your business is interested in being a sponsor, please contact Robert Hauck 570-765-4233 or Haleigh Boop 570-217-4715 or email us at sctpulers@gmail.com.

With the support of your business, we look forward to having a successful year. Thank you!

Sincerely,

Haleigh C Boop

Sponsor Visibility in the Live Stream

All sponsors receive on-screen logo placement during the live broadcast, providing consistent visibility throughout the event.

For sponsors looking to maximize their exposure, CS Pulling Promotions/SCTTPA offers an upgraded option:

- **Custom Filmed Commercial** (*Only available with Platinum or Diamond Package*):
CS Pulling Promotions will visit your business and professionally film a custom commercial that runs during the live stream. This allows sponsors to tell their story, showcase their operation, and stand out during the broadcast.
- **Standard Inclusion:**
Sponsors who choose not to add a commercial will still receive logo placement on the live stream, ensuring their brand is visible to viewers throughout the event.

This tiered approach allows businesses to choose the level of exposure that best fits their marketing goals and budget.

What This Means for Sponsors

- Exposure extends beyond fans in attendance
- Brand visibility before, during, and after event weekend
- Content continues generating views long after the event ends
- Access to both short-form and long-form audiences
- Measurable digital reach and engagement
